

Cassette 500 projects Multi Optimyst

230V/50Hz | 260 Watt

Experience Better Living

Multi-colour!

New!

Cassettes

Imagine the perfect fireplace with no flue or fire hazard. Our patented Optimyst® technology creates flames using cold water vapour and multicolour LED lights to create realistic and safe flames. With the Cassette Projects models, you can effortlessly create a stunning fire display in any room, without the need for regular water refills thanks to the permanent water connection. It's the hassle-free way to enjoy a beautiful fire. You can also easily pair and combine them with our other Projects Cassettes to create your dream fireplace in any setting.

- Perfect for installation projects, designed to fit custom-made frames or fireplaces.
- Connects to a main water supply, no manual refill needed.
- Can be easily connected and combined with other Projects Cassettes.
- Crackling logs sound effects with adjustable volume.
- Optional logset accessory available.
- With Flame connect APP

All-round view

Surprising by the floating flame and smoke effect and variable flame intensity

Optimyst flame technology, flame patterns by cold water vapour

Flames and lamps use energy-efficient LEDs that require no maintenance and can burn separately

Product is delivered without decoration, but can be decorated with a wood set (optional to be ordered)

The colours of the flame can be adjusted to the colours blue, violet, red, aquamarine or change the colours to a mix by using the Flame Connect app

Flame Connect app available for smartphone

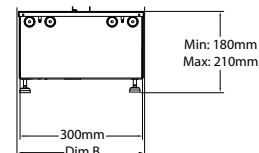

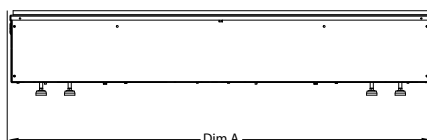

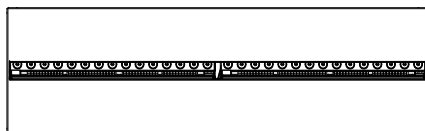

Very suitable for installation
